WELCOME TO THE WRAP-UP OF

MASTERCLASS EQUITY RESEARCH 2025

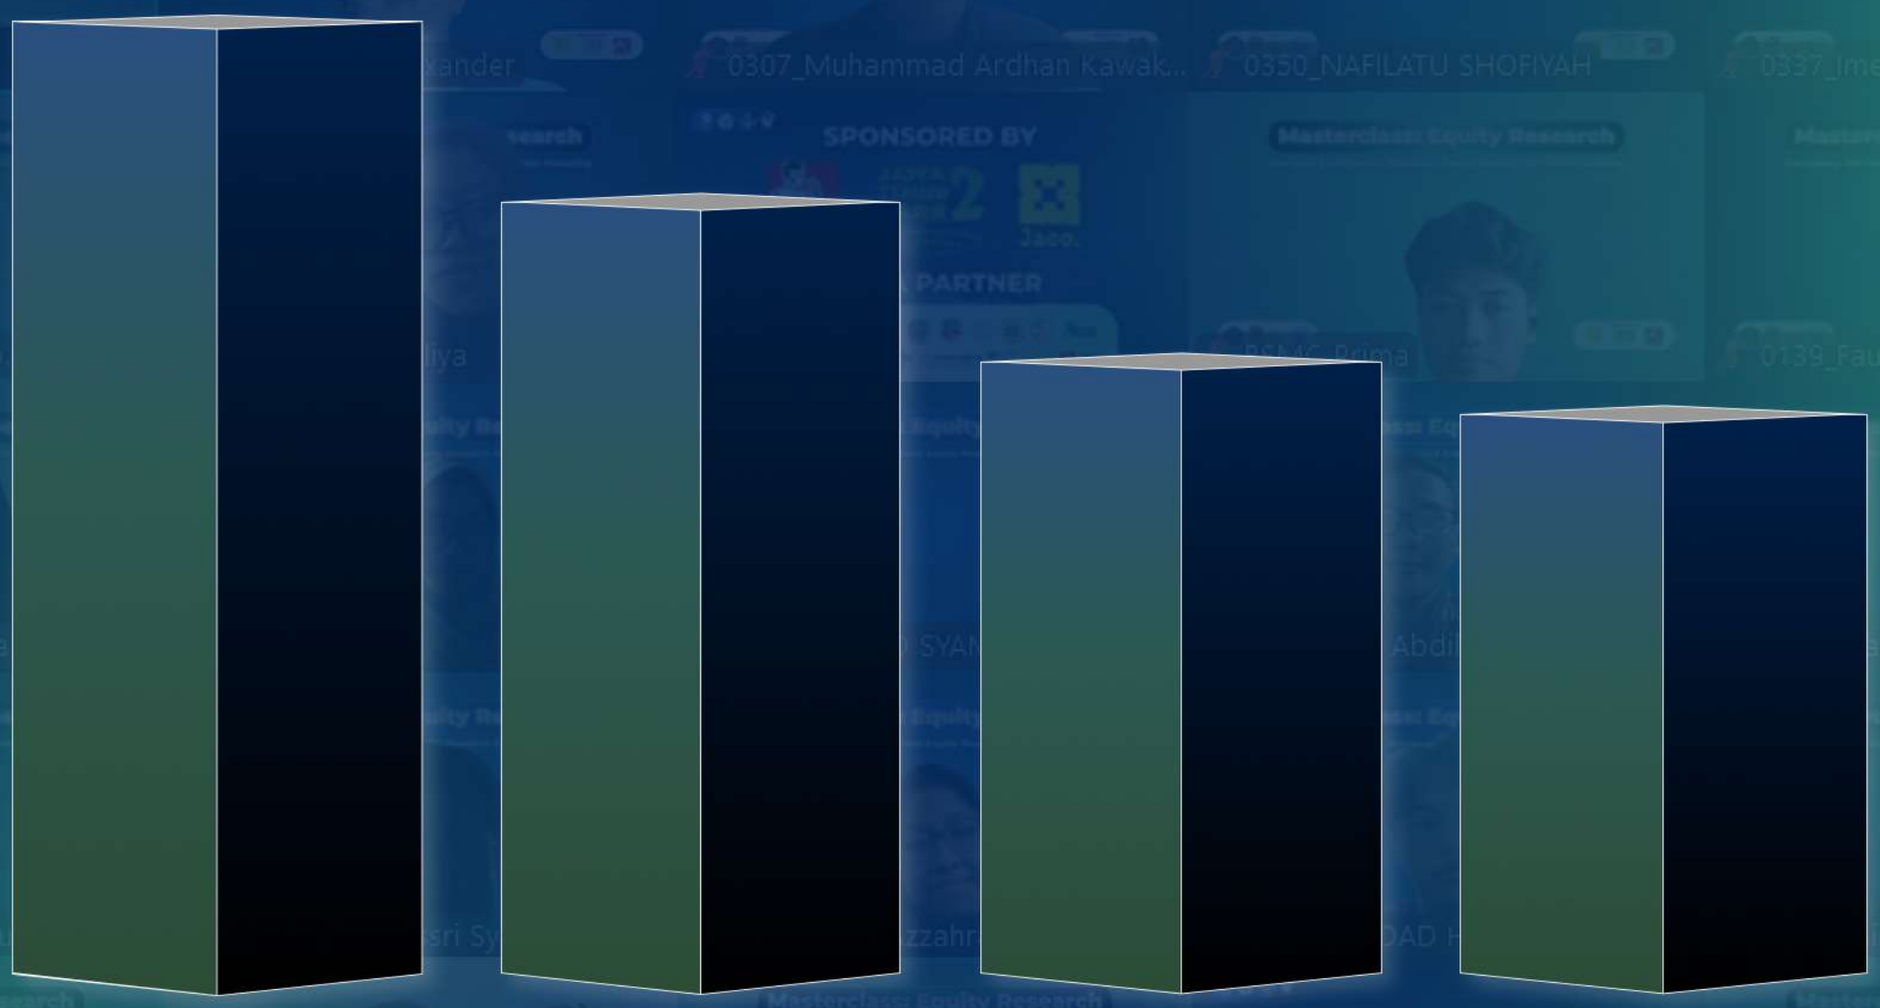

For two intense months, we witnessed incredible dedication, curiosity, and learning spirit from every participant. This was more than just training, this was a bootcamp designed to shape the future leaders of Indonesia's capital market.

WHAT REALLY HAPPENED INSIDE OUR SESSIONS?

DEEP-DIVE CURRICULUM

From basic data research & terminology to financial modelling & valuation, each session was carefully designed in sequence to build a strong foundation and unlocking sharp analytical perspective.

GROUP MENTORSHIP

A one-month mentorship phase with senior analysts who shared not only knowledge but also priceless real-world experience.

REAL-WORLD PROJECT

In Masterclass, we didn't just learn theory. We applied it directly in a hands-on case study, crafting a competitive equity research paper.

WHAT THEY SAY ABOUT MASTERCLASS

MIQDAD HUWAIDI

CEO OF KSPM FEB UB 2025

"Masterclass Equity Research has officially wrapped up, a brilliant idea executed flawlessly by the organizing team, bringing valuable insights and benefits to everyone involved. The program aimed to introduce equity research, a topic that is still rarely discussed, in a comprehensive yet affordable and accessible way for young audiences, especially university students. Hopefully, this experience will serve as a valuable foundation for all participants in future competitions and their professional careers ahead."

ARDHAN KAWAKIBI

PROJECT LEADER OF MASTERCLASS 2025

"It is truly a pride to have executed this bootcamp, which received a warm welcome from all the excited learners! The participants' enthusiasm clearly shows the promising and bright quality of future analysts. I really hope that the knowledge gained in this bootcamp becomes a valuable asset in their journey ahead, and may the achievements bring benefits and inspiration to us all."

WHAT THEY SAY ABOUT MASTERCLASS

YOGI SATRIO BAGUS, S.M.

INSTRUCTOR FOR “VALUATION” AND PITCHING JURY

"Back in my time, it was quite hard to learn about equity research, as there were no open platforms to explore and discuss about this topic. But today, I truly appreciate KSPM FEB UB for initiating this program, which created an ambitious learning environment especially for those who are interested in equity research. I really hope the participants can absorb all the knowledge shared, and make local graduates compete with international peers."

RAYHAN SATRIA LEXANDRA

2ND BEST TEAM AT PITCHING SESSION

“I'm very satisfied with this year's Masterclass. All the invited speakers possess solid expertise and proven credibility in the stock market industry, making the knowledge gained during the bootcamp well worth the IDR 200.000 investment. Definitely one of the best expenses I've ever made.”
